**For You!**

If you see a Chair in our store marked \$8 and in another store you see the same chair marked \$1.98, your first conclusion is that the first store is high. Some merchants take advantage of this. They mark a ridiculously low price on things whose prices people can compare while shopping around. Then, on other things they boost the prices unreasonably high. You are misled by this, and you pay too much for the most of your goods. In this store everything is marked at a uniform small profit. Chairs are priced this way.

Child's golden oak finish Rocker \$1.50.  
Reed Rockers \$3.50.  
Solid Oak Rockers \$3.50.

To the Members and Friends of the Christian Church: There will be a reception given to the new members at the Church tonight.

### DRINKS POISON—MAY DIE

Dayton Cor. Cincinnati Enquirer.

Mrs. M. Stone, who lives near Maysville, is lying in a critical condition at Speers Hospital as a result of drinking a quantity of oxalic acid by mistake. She was visiting Mr. and Mrs. Elmer Vaughn of 607 Seventh avenue, and had occasion to go to the medicine chest for a simple remedy, and got hold of the bottle of poison by mistake. She drank three drachms before she discovered her mistake. Dr. Sencour and other physicians were summoned and made a strenuous effort to save the woman's life. Her condition was so critical that it was found necessary to remove her to Speers Hospital.

## ROOSTER CROWS

In Old Mason—Democrats Reach  
Out and Take Everything  
in Sight

700 Majority For Fields, Whose  
Election is Assured By a Big  
Vote in the District

The election yesterday as far as Maysville and Mason county were concerned passed off in the usual routine manner. There was no disorder or in-

timidation and the day was one of the finest election days we have had in a decade.

Maysville Democratic by 83.  
Mason county Democratic by 684.

The Ninth District Democratic by 600 or more.

It was a Democratic landslide and we simply got what was coming to us, from Maine to Panama.

In Mason and the Ninth District the Republicans simply were run over by the Democratic whirlwind campaign, backed by one of the largest bunches of money ever used in a Kentucky election.

But enough is enough and we've met the enemy and he now has us corralled until 1912, when Taft will show the Democrats a few things.

Following is the unofficial vote in Mason county:

### WHEN HER BACK ACHES.

A Woman Finds All Her Energy and Ambition Slipping Away.

Maysville women know how the aches and pains that come when the kidneys fail, to make life a burden. Backache, hip pains, headaches, dizzy spells, distressing urinary troubles, all tell of sick kidneys and warn you of the stealthy approach of diabetes, dropsy and Bright's disease. Doan's Kidney Pills permanently cure all of these disorders. Here's proof of it in a Maysville woman's words:

Mrs. John Burns of Maysville, Ky., says: "I value Doan's Kidney Pills just as highly today as when I gave a statement for publication in their favor some years ago. I was subject to attacks of kidney trouble and at times the pain in my back was so acute that I was confined to my bed for days. The prompt relief I received from Doan's Kidney Pills, procured at J. J. Wood & Son's Drugstore, was very gratifying, and during the years which have since elapsed, I have had no serious return of kidney trouble. On some occasions, I have felt a slight backache, but a few doses of this valuable remedy have never failed to ward off any bad attack."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—take no other.

### TAKE COURAGE! INTERNAL TREATMENT WILL CURE

Piles make life unhappy and ruin the best disposition. Most sufferers have been bitterly disappointed by many failures to find a cure. A medicine in tablet form, taken internally, that avoids the unpleasant features of ointments, suppositories and operations, and cures thoroughly by removing the inside cause, is surely worth trying, especially as J. ## AN IMPUDENT TRAMP

Yesterday afternoon a big burly tramp called at a number of homes in Fourth street, West of Market, and by his unseemly conduct created consternation in the household. He was mandatory to his commands and rude and coarse in his language. At one home visited, where the men folks were absent, he asked for a coat, and receiving a negative answer he was willing to compromise matters with a dinner. On being informed that the noon meal was over and that he could not be accommodated, he became surly and sullen, and in trepidation the good woman closed the door in the impudent fellow's face. It is such worthless scamps as these that cause the Police Officers a world of trouble, and it is not to be wondered that at times the guardians of the peace lose their self restraint and give the cur a deserved trouncing.

## STILL ALARM

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. ## Democratic Congress the National Harvest From Yesterday's Election

### Theodore Roosevelt Gets Greatest Jolt, and His Middle-some Mouthings Are at Last Bottled Up

#### Great Reversal of Public Sentiment Results in Big Victory For Democratic Party

Yesterday was "Democratic Day" and not since the year 1882 has there been such a widespread reversal of public and National sentiment. But let it be understood that the fight started in the ranks of the Republican party, as the result of Cannonism and Aldrichism. The "insurgency" was Nation wide, and was taken up by the Democratic party, and by the coalescing of both yesterday and the rebuke administered to Theodore Roosevelt we had a Democratic landslide and elected a Democratic Congress.

The drubbing will do the Republicans good, in the long run, and means a new alignment minus T. Roosevelt, Joe Cannon, Aldrich, Hale et al, and then some.

The great body of the American people are thinkers, not fools, and they know when

they have enough. A different story will be written in 1912 when the public indignation, which is now Nation-wide, cools down.

A summary of yesterday's victory—

Ohio, Democratic by 60,000.  
New York, Democratic by 50,000.

Massachusetts, Democratic by 20,000.

New Jersey, Democratic by 20,000.

## THE NINTH DISTRICT

The Ninth Congressional District gives W. J. Fields, Democrat, a good majority over Bennett, Republican. Fields carried Nicholas by 625, Mason 683, Bracken 395, Robertson 188, Bath 163, Fleming 150 and Harrison 787. Bennett carried Boyd by 514, Greenup 315, Lawrence 100, Rowan 35, Lewis 1,000 and Carter 350.

Nine Democratic Congressmen and four Democratic Judges of the Court of Appeals were elected.

Caleb Powers, Republican, was elected in the Eleventh District by 15,000.

Congressman Langley, Republican, defeated Byrd, Democrat, in the Tenth District by 1,600.

Kentucky thus will have 9 Democrats and 2 Republicans in Congress.

Present indications are that the House will be Democratic by about thirty-five majority.

The U. S. Senate remains Republican. Now what harm

can a Democratic House do with a Republican Senate and a Republican President?

## O. H. P. THOMAS & CO. MAYSVILLE, KENTUCKY.

# Have You Tried?

Lydia E. Pinkham's Vegetable Compound. We can furnish positive proof that it has made many remarkable cures after all other means had failed.

Women who are suffering with some form of female illness should consider this.

As such evidence read these two unsolicited testimonial letters. We guarantee they are genuine and honest statements of facts.

Cresson, Pa.—"Five years ago I had a bad fall, and hurt myself inwardly. I was under a doctor's care for nine weeks, and when I stopped I grew worse again. I sent for a bottle of Lydia E. Pinkham's Vegetable Compound, took it as directed, and now I am a stout, hearty woman."—Mrs. Ella E. Alkey, Cresson, Pa.

Baird, Wash.—"A year ago I was sick with kidney and bladder troubles and female weakness. The doctors gave me up. All they could do was to just let me go as easily as possible. I was advised by friends to take Lydia E. Pinkham's Vegetable Compound and Blood Purifier. I am completely cured of my ills, and I am nearly sixty years old."—Mrs. Sarah Leighton, Baird, Wash.

Evidence like the above is abundant showing that the derangements of the female organism which breed all kinds of miserable feelings and which ordinary practice does not cure, are the very disorders that give way to Lydia E. Pinkham's Vegetable Compound.

Women who are afflicted with similar troubles, after reading two such letters as the above, should be encouraged to try this wonderfully helpful remedy.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has thousands to health free of charge. Address Mrs. Pinkham, Lynn, Mass.

## Today's Short Sermon

If you want to ruin your boy just take his side on every question and dispute he has with his teacher or your neighbor's children. Let him know you are with him, right or wrong, in all his disputes. This will give him a good start on a successful career and he will graduate from the common school long before his time, a fit subject, in most cases, for the Reform School or the Penitentiary. You may not realize this at first as regards to your own children, but watch your neighbor's children and you will soon see the truthfulness of it.

## Gas Light Talks—No. 51.

## Push Maysville.

Before closing this series of Talks, we want to say a few words regarding the gas and electric service here in Maysville.

There is comparatively little to be said about the gas service. As you all know, we are furnishing artificial gas at present, but, in the Spring, we intend to bring in natural gas, which will be supplied at a net rate not exceeding thirty cents per 1,000 cubic feet.

The natural gas will be brought to Maysville through a large trunk main connecting with the Columbia Gas & Electric Company's pipe-line, about two and a half miles back in the country. We have practically secured the right of way for the trunk main and the work of laying it will begin as soon as the frost is out of the ground in the early Spring.

This work, the completion of which will put Maysville on an equal footing with Cincinnati and Covington in the matter of gas service, is going to be very costly and, in addition, will involve the entire abandonment of our artificial gas plant which has been built up to a high state of efficiency and which will be practically a total loss.

In regard to the electric service, it is admitted in public service circles, as we have told you in former Talks, that Maysville has reason to be proud.

There are comparatively few cities of equal size anywhere in the country, where service is maintained on a twenty-four-hour schedule as is the case here. And where such a schedule is in effect, the rates are usually higher.

Another thing in regard to Maysville's service that is somewhat out of the ordinary for a city of this size, is the fact that the streets are lighted on an all-night schedule.

This is one of the very best advertisements a city can have and never fails to impress the visitor from outside.

Cities are coming more and more to realize the value of well-lighted streets, not only as an advertisement of the progressiveness of the town, but as a means of protection against crime.

The point we want to make is that Maysville is most favorably situated as regards public utilities and shipping facilities, to offer remarkable inducements to capital.

Therefore, while we have done what we could to attain this position, we want to keep on working for the advancement of Maysville and we want the help of your good-will.
